Dealer Comments
The 2027 Ford Expedition Max is built for family life the way a living room is built for company: roomy, comfortable, and ready for whatever the day brings. This new SUV makes errands and road trips easier with keyless entry that saves fumbling for keys, cruise control for long stretches, and a rear camera that takes the guesswork out of tight spots. Bluetooth keeps kids entertained and hands free, while cabin air filtration helps everyone breathe easier. Take a look and see how it fits your routine.
