Dealer Comments
Meet the 2027 Ford Explorer, built for the practical side of adventure. This new SUV settles into a weekday routine as easily as it handles a weekend escape - family friendly without being fussy. Navigation and a rear camera make wrangling routes and parking less dramatic, while keyless entry and Bluetooth keep life moving when your hands are full. Cruise control and steering wheel controls take the small tasks off your mind. Modern safety features include tire pressure monitoring, cabin air filtration and multiple airbags.
