Dealer Comments
Meet the 2027 Ford Super Duty F-450 DRW, a new truck built for long days and heavy work. Leather seats make the cab a comfortable place to spend time, and cruise control lets you set it and forget it on the highway. The rear camera and power mirrors take the guesswork out of backing into tight spots, while aluminum wheels stand up to miles of road. Practical touches like a tire pressure monitor and cabin air filtration keep things sensible and comfortable. Come see it and take it for a walk around the lot.
