Dealer Comments
Take a look at this used 2016 Ford F-150. It drives like the reliable truck it is, with great gas mileage that keeps the longer trips honest and the errands cheaper than you expect. The cabin air filtration helps keep things fresh on dusty roads, and the tire pressure monitoring takes one more thing off your to-do list. Plenty of airbags for peace of mind, and the F-150 bed still handles whatever you throw at it. Come take a drive and see how it fits your day.
