Dealer Comments

2020 Jeep Wrangler Unlimited, used with just 20,941 miles and genuinely low mileage for its age. This SUV is family friendly without feeling fussy - plenty of room for car seats and weekend gear. Backing into tight spots is easier with the rear camera, and steering wheel controls keep you connected without reaching. Long interstate stretches are calmer with cruise control while satellite radio keeps the ride lively and a tire pressure monitor adds everyday reassurance. Come take it for a spin and see how it fits your life.
