Dealer Comments
Meet the brand new 2027 Ford Maverick, a truck that makes the daily drive easier without fuss. The cab is quiet thanks to cabin air filtration, and keyless entry saves you the pocket-dig dance at the curb. Backing into a tight spot is simpler with the rear camera, and cruise control makes highway stretches the kind you set and forget. Tire pressure monitoring and a full set of airbags add sensible peace of mind. Come see the Maverick and take it for a short test drive.
