Dealer Comments
Meet the 2027 Ford Maverick, a new truck that makes the small things about daily driving feel smarter. The cabin air filtration keeps the interior fresh on the commute, and keyless entry means you never fumble at the door while juggling bags. Set the cruise control on the highway and let the Maverick settle in; the rear camera takes the guesswork out of tight parking, and the tire pressure monitoring keeps maintenance from sneaking up on you. Practical, easy, and ready to go.
