Dealer Comments
Meet the 2027 Ford Maverick, a new truck that makes everyday driving easier. Heated seats warm you up before you even start the engine, and built-in navigation keeps you moving without stopping to check a phone. Backing into tight spots is calmer with the rear camera, and keyless entry means the hands-full moments stay simple. Aluminum wheels and rear LED lights finish the practical, sharp look. Features include: navigation, heated seats, rear camera, keyless entry and aluminum wheels.
