Dealer Comments
Say hello to the new 2027 Ford Maverick. This truck makes the small moments nicer: heated seats for the first cold morning, a rear camera that saves you from craning your neck in tight spots, and cruise control that lets you set it and relax on the highway. Navigation keeps you moving without second-guessing, and keyless entry gets you unloaded faster. Aluminum wheels give a clean, finished look and the cabin air filtration keeps the ride fresh. Take it for a test drive and see how it fits your day.
