Dealer Comments
Meet the 2024 Hyundai Santa Cruz, a used SUV with just 12,994 miles and genuinely low mileage for its age. Heated seats make the first cold morning worth getting up for, and the rear camera takes the stress out of tight parking. Navigation and Bluetooth keep trips easy, while cruise control makes long stretches of highway effortless. Family friendly and with strong towing capability plus aluminum wheels and a tire pressure monitor, this one handles the day-to-day without drama.
