Dealer Comments
Meet the 2023 Jeep Grand Cherokee L. This used SUV feels like the family friendly vehicle you actually want to own: composed on the highway, roomy for carpool and grocery runs, and easy to live with every day. Leather seats and heated seats keep the crew comfortable, the sunroof brightens long drives, and the rear camera takes the stress out of backing into tight spots. Cruise control helps on long stretches. Take it for a test drive and see how it fits.
