- Engine:5.7L V8 HEMI Multi-Displacement VVT

#### Dealer Comments

Here is a solid used 2013 Ram 1500 that does the everyday things without drama. The truck feels planted on the road thanks to the aluminum wheels, and cruise control makes highway stretches easy to set and forget. Satellite radio keeps long drives from going quiet, the tire pressure monitor takes one more thing off your list, and airbags are there where you expect them. Take a look and see how practical a truck can be.
