- Transmission:Automatic
- Engine:5.7L V8 HEMI MDS VVT Etorque

Dealer Comments
This certified 2023 Ram 1500 was built for hauling and towing without making the drive feel like work. The truck settles into highway lanes with cruise control and the rear camera takes the guesswork out of backing into a tight spot. Cabin air filtration keeps the interior pleasant, the tire pressure monitor helps avoid surprises, and airbags are in place for peace of mind. Take it for a test drive and see how it fits your routine.
