- Engine:6.2L Supercharged HEMI V8 SRT

Dealer Comments
This used 2027 Ram 1500 drives like the truck you reach for when the job is long and the road is longer. The sunroof lets morning light in on those early starts, and the navigation keeps you headed the right way without fumbling with a phone. Backing up feels safer with the rear camera, and cruise control makes highway miles easy. Aluminum wheels and dual exhaust tips add presence without fuss; take it for a test drive and see.
