Dealer Comments

Stop by the showroom today to give her a test drive. Gently driven, with a low 26,096. Why over pay? This is one of the best values around. Exhausted from looking for that performance-sports ride? This is it! 435 horsepower, 400 foot-pounds of torque, 5.0L Ti-VCT V8, 6-Speed Manual, and Rear Wheel Drive. This baby is going to fly off the lot at this price. You'll forget how you ever drove without a rear view camera. Keep your hands safely on the wheel by using the integrated steering wheel controls. You'll also love this 2017 Mustang's Bluetooth enabled, a cabin air filtration system, dual exhaust ends, LED lamps in the rear and tire pressure monitoring system.
