Dealer Comments

Gently driven, with a low 35,905. Some things are too hard to pass up. You will not see yourself in every parking lot with this sporty 2022 Mustang. 310+ horsepower, 350 foot-pounds of torque, 2.3L EcoBoost, 6-Speed Manual, and Rear Wheel Drive. A great EPA estimated combined rating of 25 MPG. Value, reliability, safety... This is the complete package. A backup camera makes all the difference when parallel parking. You'll also love this car's power mirrors, an air filter for the cabin, dual exhaust ends, LED lamps in the rear and extremely convenient cruise control.
