Dealer Comments

Exhausted from looking for that performance-sports ride? This is it! 315 horsepower, 350 foot-pounds of torque, 2.3L EcoBoost, 10-Speed Selectshift Automatic, and Rear Wheel Drive. Some things are too hard to pass up. Ride in style with this 2024 Mustang's fabulous leather seating. A great EPA estimated combined rating of 26 MPG. What a deal! The rear view camera is perfect for backing into tight spots. You'll also love this car's Bluetooth enabled, an air filter for the cabin, dual exhaust tips, LED lamps in the rear and extremely convenient cruise control.
