- Engine:2.3L EcoBoost I-4

Dealer Comments

Say hello to the 2026 Ford Bronco. Everything still smells new, because it is, and the first cold morning with heated seats will make you smile. This sedan blends strong towing capability with everyday ease: keyless entry for hands-full moments, power mirrors that make tight spots less stressful, and cruise control for long stretches where you set it and forget it. Cabin air filtration keeps the interior calm, aluminum wheels and rear LED lights finish the look, and airbags and a security system bring peace of mind.
