Dealer Comments
Meet the 2027 Ford Expedition Max, an SUV built with family life in mind. Leather seats make carpool feel grown-up, and the sunroof turns a long drive into something to look forward to. Backing into tight spots is easier with the rear camera, and Bluetooth keeps playlists and calls working without a tangle of cords. Set the cruise control on the interstate and let the Expedition Max take care of the miles. Take it for a test drive and see how it fits your routine.
