Dealer Comments
Meet the 2027 Ford Expedition. This new SUV was built to make family life easier - room for car seats, groceries, and whatever the weekend brings. Keyless entry and bluetooth keep comings and goings simple, and the rear camera takes the guesswork out of tight spots. Cruise control smooths the long runs and LED rear lights improve visibility at night. Safety features include airbags and a tire pressure monitor, plus cabin air filtration for cleaner trips. Take it for a look.
