Dealer Comments

Meet the 2023 Ford Expedition, a used SUV built for the family that does weekends and workdays. You will notice the strong towing capability when the trailer is hooked and how easy it is to settle everyone into the roomy cabin. Small comforts add up: a sunroof for fresh air, a rear camera for backing into tight spots, cruise control for long stretches, and a cabin air filtration system that keeps the interior feeling clean. Features include tire pressure monitoring and multiple airbags.
