Dealer Comments
Meet the 2027 Ford Expedition. This SUV was designed with the family in mind, roomy enough for carpool, groceries, and whatever the weekend brings. A sunroof lifts the cabin on clear days, while the rear camera and bluetooth make errands and road trips easier and less fussy. Set the cruise control on the long stretches and let the cabin air filtration keep everyone breathing easier. Safety features like airbags and a tire pressure monitor add sensible peace of mind to every drive.
