Dealer Comments

The 2021 Ford Explorer fits the family friendly bill without a lot of fuss. This used SUV brings easy mornings with heated seats and quiet confidence on long drives with cruise control that lets you set it and forget it. Backing into tight spots is simple thanks to the rear camera, and bluetooth keeps phones connected without a tangle of cords. A tire pressure monitor adds one less thing to worry about. Come take this Explorer for a spin and see how it feels.
