Dealer Comments
This certified 2025 Ford Super Duty F-250 SRW is a truck that still feels like the first time you climbed in - low mileage for its age at just 11,535 miles and the leather seats make every drive quieter and more comfortable. The rear camera takes the guesswork out of tight backing maneuvers, steering wheel controls keep your focus where it belongs, and cruise control makes long highway stretches effortless. Power mirrors, a tire pressure monitor and a security system round out a very practical package. Come see it and take it for a spin.
