Dealer Comments
----- CUSTOM ----- Built to dominate both the pavement and the trail, this custom Harley-Davidson truck turns heads at every corner with a rugged BDS Suspension, tuned Fox Performance Shocks, a steering stabilizer, and a precision front-end alignment paired with massive 37-inch premium mud-terrain tires wrapped around 22-inch black-and-milled Harley-Davidson wheels with full tire sensor recalibration. Its aggressive, unmistakable stance is amplified by body-color fender flares, custom Bar & Shield front fender vents, a redesigned Harley-Davidson front bumper with an accented skid plate, an integrated LED light bar, a custom grille replacement with painted accents, a color-matched rear bumper cover, tow hooks, billet aluminum exhaust tips with signature orange accents, 50-state legal deep-tinted windows, exclusive door badging, branded tailgate cladding, and power running boards with rock guard trim and entry lights. Inside and out, luxury meets muscle with custom Harley-Davidson leather seat covers, a piano black accented console, billet pedals, carpeted floor mats, branded door sills, a plush carpet bed rug liner, and a tonneau cover featuring a debossed Bar & Shield logo—all completely FMVSS compliant and backed by a 3-year/36,000-mile warranty. The 2027 Ford Super Duty F-250 SRW feels like the kind of truck that makes hard days easier and long hauls quieter. This new truck is built for hauling and for the small comforts that matter: keyless entry for quick access, a rear camera that takes the guesswork out of backing up, power mirrors that save you a step, and a tire pressure monitor that keeps you a little more secure on the road. Cabin air filtration helps keep the cab comfortable on long runs. Take it for a drive and see how it fits your day.
