Dealer Comments

This used 2024 Ford Super Duty F-350 DRW makes the workday easier and the long hauls feel deliberate. The cab stays comfortable thanks to the sunroof that brightens things up and a cabin layout that keeps controls where your hands expect them. Backing up is safer with the rear camera and the towing mirrors adjust with power mirrors. Set it and forget it on the highway with cruise control, and the aluminum wheels finish the package with dependable looks.
