Dealer Comments
Meet the 2027 Ford Super Duty F-450 DRW. This new truck is built for long days and heavy loads, but it still makes the drive comfortable - leather seats settle you in, and cruise control lets you set it and forget it down the interstate. The rear camera helps with tight hookups, aluminum wheels stand up to work, and a tire pressure monitor keeps an eye on the basics. Drive it around the lot and see how comfortably capable it feels.
