Dealer Comments
This new 2026 Ford Ranger is the kind of truck that feels ready for the long day before you are. Tight parking and busy driveways get easier with power mirrors, and the cruise control lets you set a pace on the highway and relax a little. Aluminum wheels give it a clean, durable look, while rear LED lights and a tire pressure monitor handle the practical stuff you forget about until you need them. Safety features include airbags. Take it for a spin and see.
