Dealer Comments
Meet the 2026 Ford Ranger, a new truck built to make the everyday feel a little easier. Set the cruise control on a long stretch and let the highway hum; aluminum wheels and rear LED lights give it a confident stance and better visibility when the sun goes down. Power mirrors help when you back into a tight spot, and the tire pressure monitor keeps surprises to a minimum. A security system and multiple airbags add practical peace of mind. Come take a look and see how it fits your routine.
