Dealer Comments
Meet the 2026 Ford Ranger, a new truck that feels ready for the first cold morning commute and the long weekend escape. Heated seats warm you up before the engine does, the rear camera takes the guesswork out of backing into tight spots, and navigation keeps you moving without stopping to check your phone. Keyless entry is a small convenience that pays off every day, and cruise control makes the highway miles melt away. Take this Ranger for a test drive and see how it fits.
