Dealer Comments
This certified 2023 Ford F-150 feels like a truck that's already done its break-in and is ready for real work. With just 26,498 miles and a reputation for great gas mileage, it was built for hauling and towing without making every trip a chore. The cab is comfortable and practical thanks to cabin air filtration and airbags for peace of mind, while cruise control makes highway miles easier and the tire pressure monitor keeps you on top of maintenance. Take a closer look and see how this F-150 fits your life.
