Dealer Comments
Meet the 2027 Ford F-150. This new truck feels like the sensible friend who also knows how to make a weekend plan: solid, comfortable, ready. A rear camera makes hitching and tight backing simple, and cruise control takes the edge off long highway stretches. Power mirrors help you tuck into tight spots without the neck gymnastics. Cabin air filtration keeps the cab fresh, and tire pressure monitoring looks out for the little things so you do not have to.
