Dealer Comments
Say hello to the 2027 Ford F-150. This new truck is built for the mornings you dread and the runs you look forward to: easy sightlines with a rear camera, power mirrors that save you a fingertip wrestle, and cruise control for the long stretch of highway where you just set it and relax. Tire pressure monitoring keeps an eye on the basics, and cabin air filtration makes the ride feel fresher. Solid, practical, and ready to work or roam.
