Dealer Comments
----- CUSTOM ----- Just the upgrade you might like on an STX: Factory Match Leather! Meet the 2026 Ford F-150, a new truck that feels like the sensible friend who also happens to be able to tow your weekend plans. It gets great gas mileage for its class and was built for hauling and towing, so long trips with a trailer are less fuss and more do. Power mirrors and a rear camera make backing into tight spots simple, cruise control eases the highway stretch, and cabin air filtration keeps the cab comfortable. Tire pressure monitoring is standard, and modern airbags are in place for peace of mind. Take it for a quick drive and see how it fits your day.
