Dealer Comments

This used 2022 Ford F-150 is the kind of truck that makes morning commutes and weekend hauls feel routine and reliable. The truck's navigation keeps you on the best route without fumbling for your phone, and cruise control makes the long stretches easy to manage. Tire pressure monitoring and cabin air filtration are small things you notice every day, while rear LED lights help when loading after dark. Take the F-150 for a test drive and see how it fits your life.
