Dealer Comments
This used 2023 Ford F-150 feels like the truck you reach for when the day is too cold or the road is too long. Heated leather seats make early starts tolerable, cruise control lets you set it and forget it on the interstate, and the rear camera takes the guesswork out of backing into tight spots. A tire pressure monitor helps you keep it rolling, and cabin air filtration keeps the cab pleasant. Take it for a test drive and see how it fits your life.
