- Transmission:Automatic
- Engine:5.0L V8

Dealer Comments
Meet the 2026 Ford F-150. This new truck is built for mornings when the job site is dark and the coffee is hot: navigation keeps you on course, cruise control makes the highway miles disappear, and the rear camera takes the guesswork out of backing into tight spots. Cabin air filtration helps keep the crew comfortable, and the tire pressure monitoring system protects the load and the ride. Solid, sensible, and ready to work.
