Dealer Comments

It is a great low mileage 2025 Malibu, with only 10,042 on the odometer. This baby is going to fly off the lot at this price. A perfect cold weather car featuring heated seats. A backup camera makes all the difference when parallel parking. You don't see deals like this every day. You will breath easy with the cabin air filtration system. You'll also love this vehicle's extremely convenient cruise control, low tire pressure warning and airbags.
