Dealer Comments
Meet the 2022 Cadillac CT4, a used sedan that feels smaller than it drives and smarter than its size suggests. This Cadillac pairs a luxury brand badge with great gas mileage, so your commute feels a little nicer and a lot less expensive. Leather seats make even short trips comfortable, and navigation keeps you from guessing. Power mirrors and a tire pressure monitor make daily life easier, while the cabin air filtration keeps the interior calm and clean.
Installed Features

- Airbags
- dual-stage frontal seat-mounted side-impact for driver and front passenger; knee for driver and front passenger; head-curtain for all outboard seating positions with rollover protection (Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)|Buckle to Drive prevents vehicle from being shifted out of Park until driver seat belt is fastened; times out after 20 seconds and encourages seat belt use
