Dealer Comments

This 2019 Chevrolet Colorado is a used truck that makes the practical parts of life feel a little easier. The rear camera takes the guesswork out of backing into tight spots, the tire pressure monitor saves a trip to the gauge, and airbags are there for peace of mind. It drives like a truck should: capable without being fussy. Stop by, take it for a short spin, and see if it fits into the way you actually use a truck.
