Dealer Comments
Meet the 2024 Chevrolet Silverado 1500, a used truck that feels ready for mornings and long hauls alike. The rear camera takes the guesswork out of tight backing maneuvers, and cruise control makes highway stretches easy to set and forget. A tire pressure monitor helps keep maintenance simple while airbags are there when you want peace of mind. The Silverado 1500 is straightforward, practical, and built around everyday use - take it for a drive and see how it fits.
Installed Features

- Airbags
- Dual-stage frontal airbags for driver and front outboard passenger; Seat-mounted side-impact airbags for driver and front outboard passenger; Head-curtain airbags for front and rear outboard seating positions; Includes front outboard Passenger Sensing System for frontal outboard passenger airbag (Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)|Back-Up Camera|Buckle to Drive prevents vehicle from being shifted out of Park until driver seat belt is fastened; times out after 20 seconds and encourages seat belt use
