Dealer Comments
This used 2019 GMC Yukon feels like a sensible upgrade for whoever wants comfort without fuss. Heated seats are a welcome hand on the first cold morning, and the premium sound makes a long stretch of highway feel less like work. The rear camera takes the guesswork out of tight spots, while keyless entry saves the juggling act at the door. A tire pressure monitoring system adds a quiet bit of confidence on every drive.
Installed Features

- Airbags
- Frontal airbags for driver and front outboard passenger; Seat-mounted side-impact airbags for driver and front outboard passenger; Driver inboard seat-mounted side-impact airbag; Head-curtain airbags for all rows in outboard seating positions (Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)|Back-Up Camera|Blind Spot Monitor|Brakes
