Dealer Comments

Some things are too hard to pass up. A backup camera makes all the difference when parallel parking. Sharp dual exhaust tips add to the 2014 Traverse's look and feel. You better not buy until you see this car. The vehicle comes with aluminum wheels. You don't see deals like this every day. Don't get caught with flat tires thanks to the included tire pressure monitoring system. If safety is a must, this Traverse has the airbags you need.
