Dealer Comments
2024 Cadillac XT6 feels like an upgrade the first time you slide into leather seats and close the sunroof shade on a quiet morning; this used sedan already does the things that make daily driving nicer. The luxury brand touches are real - premium sound fills the cabin and cruise control settles the highway miles. Safety extras like a tire pressure monitor and airbags give you one less thing to think about. Come test drive the XT6 and see how the vehicle fits your routine.
Installed Features

- Airbags
- dual-stage frontal and seat-mounted side-impact for driver and front passenger; knee for driver; head-curtain for all outboard seating positions with rollover protection (Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)|Blind Spot Monitor|Brakes
