Dealer Comments

This used 2018 Honda Accord Sedan feels like the sort of car you stop and smile at on a long run down the interstate. Cruise control lets you set it and relax, the rear camera takes the guesswork out of tight parking, and rear LED lights are crisp and modern when the sun goes down. A tire pressure monitor and cabin air filtration add everyday peace of mind, and those dual exhaust tips give the back end a purposeful look. Take it for a drive and see.
