Dealer Comments
This certified 2024 Nissan Altima feels ready for the daily routine and the weekend escape. Great gas mileage means fewer stops and more time on the road, and cruise control makes the long stretches easy to set and forget. Backing up is less of a chore with the rear camera, and power mirrors help you get ready fast. A cabin air filtration system keeps the interior fresh, and the tire pressure monitor and airbags add sensible peace of mind. Take it for a quick drive and see how it fits.
