Dealer Comments

This used 2023 Nissan Frontier feels like the truck you reach for when the weekend demands it. With just 32,394 miles it still has plenty of road left, and it was built for hauling and towing so the workday never slows you down. Navigation keeps you calm on unfamiliar roads, power mirrors make tight spots easier, and rear LED lights improve visibility when daylight fades. A cabin air filter and tire pressure monitor add comfort and peace of mind on every drive.
