Dealer Comments

This used 2014 Ford Mustang is a convertible that makes the commute feel like the fun part of the day - sporty performance when you want it, great gas mileage when you need it. Drop the top, settle into the ride and let cruise control handle the highway stretches while the tire pressure monitor and power mirrors take care of the small stuff. Aluminum wheels and dual exhaust tips give the look that matches the sound. Come see the Mustang and take it for a spin.
