Dealer Comments

Meet the 2016 Dodge Challenger. This used coupe still has presence and it rewards you with great gas mileage that makes longer drives easier to enjoy. The cabin is built for music with premium sound and satellite radio, and cruise control settles your foot on the highway. Tire pressure monitoring keeps one less thing to think about and rear LED lights give a clean look at the back. Airbags and a security system add sensible peace of mind. Take it for a spin and see.
