- Engine:6.4L V8 SRT HEMI MDS

Dealer Comments

The 2021 Dodge Challenger is a used coupe that still turns heads - the dual exhaust tips give it presence and the rear LED lights keep things crisp after dark. Set the cruise control on a long stretch and let the car do the heavy lifting while the rear camera helps with tight backing maneuvers. A tire pressure monitor keeps you confident on the road. Come take the Challenger for a spin and see how it fits your day-to-day.
